Maui July 2013 Sales Statistics

Aloha all!

Brief Maui Statistics Overview:

Page 4 - July's Sales Unit Volume – July's Residential sales matched June with 93 homes sold, while Condo Sales declined to 108 units sold. Land sales came in at 13 lots sold.

Page 5 - July's Median SALES prices –The Residential home median price declined to 488,000. The Condo median price decreased to \$370,000. Land median price declined to \$425,000.

Page 6 - Days on Market, Residential homes = 146, Condos = 153 DOM, Land = 192 DOM.
 (General DOM Note: this is the average DOM for the properties that SOLD. If predominantly OLD inventory sells, it will move this indicator upward, and vice versa. RAM's Days on Market are calculated from List Date to Closing Date [not contract date], including approximately 60 days of escrow time.)

Pages 10 - 14 – "Year to Date Sales" numbers only compare January-July 2013 to January-July 2012. Short timeframe (monthly) views do not necessarily reflect the longer timeframe trends. For a more comprehensive view, compare to 2012's Year-End (Dec. 2012) figures available at:
<http://www.ramaui.com/UserFiles/File/Stats/All-December2012.pdf>

Year to Date:

Residential unit sales increased (580 homes sold / +64 units / +12% change YTD), average sold price = \$749,079 (+10%YTD), median price = \$536,250 (+16%YTD) and total dollar volume sold = \$460,565,956 (+24%YTD).

Condo unit sales increased (781 units / +31 units / +4%YTD), average sold price = \$544,354 (+17%YTD), median price = \$373,000 (+7%YTD). Total Condo dollar volume sold = \$425,140,706 (+22% YTD).

Land – NOTE: Land Lot sales are such a small sampling that statistics in this property class are not necessarily reliable indicators. Land lot sales increased (111 lots / +19 units / +21% YTD), average sold price = \$819,178 (+16%), median price = \$450,000 (+20%), Total dollar volume = \$90,928,781 (+40% YTD).

Total sales for immediate past 12 months: Residential = 1,001 (with 25.6% being REO or Short Sale), Condo = 1,285 (12.5% REO or SS), Land = 195 (13.3% REO or SS).

As of August 10, 2013 - Active/Pending-Continue to Show/Contingent status inventory:

	Aug. '13	July	June	May	April	Mar.	Feb.	Jan. '13	Dec. '12	Nov.	Oct.	Sept.	Aug.
Homes	610	591	603	623	653	645	628	644	648	635	642	661	690
Condos	785	788	805	860	934	964	984	929	931	883	883	917	915
Land	387	397	398	405	408	427	426	425	430	435	429	428	444

Current Absorption Rate base on this month's Active/Pending-Continue to Show/Contingent status inventory divided by July Sales is:

Residential = 6.6 months, Condo = 7.3 months, Land = 29.8 months of inventory.

For Absorption Rate enthusiasts who calculate only pure "Active," (not any pending/contingent) divided by July Sales: Residential 473 "Active"/ 91 Sold = 5.1 months.

Condo 634 / 124 Sold = 5.9 mos. Land 346 / 17 Sold = 26.6 mos.

IN A NUT SHELL..... Inventory down, Sales up, Prices rising “Game On!”

July monthly numbers take seasonal “breather” after Winter-Spring rush. Increased showings and sales, multiple offers on “well priced” listings, hesitant buyers become onlookers..... Window of opportunity is quickly closing for first-time homebuyers (see below).

Well priced properties are attracting multiple offers making for a quick sale. **Inventories have declined 11-14%** over the past 12 months in Residential and Condo classes. REO (Foreclosures) and Short Sales are dwindling, with any “hidden inventory” (or overhang) backlog slowly trickling onto the market. Mortgage Interest Rates are inching up slightly which may help motivate would-be Buyers to go ahead and buy IF they can qualify. Savvy Investors are buying with Cash. While general U.S. economic news looks cautiously hopeful, current World and US events will have ripple effects on cost of living, consumer confidence, Financial and Real Estate Markets. **As prices rise, some “Owners” will decide to become “Sellers,” putting their homes on the market.**

FOR SELLERS: Sharpen your pencil, talk to your CPA and your Realtor® to explore the hidden benefits or consequences. Make no assumptions that will sting later.

To be successful, Sellers need to beat competing properties with better property condition, **REALISTIC pricing**, good marketing, and flexible, creative terms (Seller Second Loan, Agreement of Sale, Lease-with-option-to-buy, and Sale-with-lease-back to seller). Days on Market figures show that properties priced right will sell in a reasonable timeframe, often with multiple offers. “Priced Right” is still the determining factor.

BEST Deals are selling, while significantly over-priced listings remain un-sold.

Pro-Active Sellers are getting their properties **appraised, inspected and surveyed** in advance to encourage realistic offers from knowledgeable Buyers. This can prevent unanticipated escrow fallout or Buyers whittling your price down during the transaction when previously unknown facts come to light.

FOR BUYERS: Low interest rates prevail; however have started to nudge up. Buyers should get **Pre-Approved** so they can shop in confidence (fewer last minute disappointments due to non-funding loans).

"Short-sales" and foreclosures are still in the marketplace, yet they can be less of a bargain than they seem, requiring more hurdles to leap and more time (often 4-6 months) to close, if at all.

Be prepared, but BE REALISTIC. Lenders are much more stringent on requirements now for loan approval, compared to 2004-2008.

First-Time Home Buyers – Many programs are available..... Attend a First-Time Home Buyers workshop, get familiar with the process, get qualified/approved, do your homework to get your own home. Many current owners **never thought they would be able to own** until they attended a workshop, discovered they could own a home, and are glad they did.

The low point in the market is your rare chance, so check it out carefully, don't delay. The opportunity is fading quickly.

Disclaimer: Zooming in on the figures of a specific geographic area or property type may lead to different conclusions that looking at the overall view.

Maui's market place is much smaller than Oahu's, and a few high or low sales have a greater effect on the statistical numbers without necessarily indicating a big market swing one way or another.

For questions regarding today's market condition, please call our RAM 2012-13 President, P. Denise La Costa at 808-280-2132.

If you have any questions regarding hard numbers, call Terry at 808-270-4646.

Mahalo,

Terry Tolman

RAM Chief Staff Executive
