July 7, 2008

Aloha All!

Attached are the **Maui June 2008 Sales Statistics**.

**Brief overview:**

**Pages 4 - June's Sales Volume** – Residential home sales came in at 74 units, down from May. CONDO sales dropped to 53 units sold and LAND sales came in at 11 lots sold.

**Page 5 - June's Median** Residential SALES price rose to \$616,000, Condos rose to \$580,000 and Land came in at \$700,000 (only 11 lots sold in June).

**Page 6 - Days on Market** for Residential homes = 158 DOM, Condos = 158 DOM and Land = 180 DOM.

(Note: this is the average DOM for the properties that SOLD. If predominantly OLD inventory sells, it can move this indicator upward, and vice versa. Also, RAM's Days on Market are calculated from List Date to Closing date [not contract date]. As such, it includes approximately 60 days of escrow time.)

**Pages 10 - 14 - "Year to Date Sales"** numbers are gaining relevance now that they include the first 6 months of 2008. In the current lackluster market, a low or high number YTD may not hold true by Year-end. Short time-frame (monthly) views do not necessarily reflect the longer time-frame trends. Better overview is available from these pages at the end of each year such as 2007's Year End (Dec. 2007) available at:

[http://www.mauiboard.com/download\\_files/file\\_1199408630.pdf](http://www.mauiboard.com/download_files/file_1199408630.pdf)

**Also, total sales for immediately past 12 months: Residential=1,038, Condo=1,085, Land=156.**

**July 7, 2008 - Active/Pending/Contingent status inventory:**

**RESIDENTIAL = 1,141 homes**, May (1,132), April (1,148), Mar.(1,169), Feb.(1,168), Jan.(1,155), Dec.(1,087), Nov.(1,046), Oct.(1,016), Sept.(968), Aug.(958), July (943), June (972), June (985)

**CONDO = 1,565 units**, May (1,535), April (1,526), Mar.(1,569), Feb.(1,497), Jan.(1,502), Dec. (1,368), Nov.(1,325), Oct.(1,283), Sept.(1,334), Aug.(1,284), July (1,270), June (1,269), June (1,261)

**LAND (all sizes) = 545 Lots**, May (531), April (548), Mar.(508),Feb.(502), Jan.(513), Dec.(514), Nov.(492),Oct.(497), Sept.(472), Aug.(469), July (465), June (474), June (476)

**IN A NUT SHELL..... the good and the bad**

Since the market peaked in Summer 05, the monthly numbers have bounced up, down and sideways, with a continuing, general cooling trend.

Active Residential and Land ACTIVE inventory has grown 14-16% in the last year, while Condo ACTIVE inventory has grown 24% in the last year.

While Unit Sales are lagging, Median Prices are holding up, and Days on Market figures show that properties priced right will sell in a reasonable timeframe. "Priced Right" is the determining factor.

FOR BUYERS: Continued low interest rates provide plenty of options for Buyers. Buyers should get Pre-Approved so they can shop in confidence (no last minute disappointments due to non-funding loans).  
More "short-sales" and foreclosures are happening on the marketplace.

FOR SELLERS: To be successful, Sellers need to be realistic and can beat competing properties with better property condition, **careful pricing**, good marketing, and flexible terms. Some Pro-Active Sellers are getting their properties inspected and surveyed in advance to encourage knowledgeable offers from realistic Buyers. Doing this can prevent unanticipated escrow fallout.

Unrealistic Sellers will follow the market down and miss current opportunities that later become woefully apparent. Sellers who don't really need to sell (just "fishing?") should stay off the market, and clear the marketplace for those who REALLY want/need to sell. Meanwhile, Buyers waiting for the "bottom" may also miss unique properties/opportunities as market forces, qualification requirements and rates may fluctuate. (Bird in the hand is worth two in the bush.)

Zooming in on the figures of a specific geographic area or property type June lead to different conclusions than the overall view. (Choose carefully ;-)

Disclaimer:

As always, I will remind everyone that Maui's market place is much smaller than Oahu's, and that a few high or low sales have a greater effect on the statistical numbers without necessarily indicating a big market swing one way or another.

If you have any questions regarding hard numbers, call my number below.

Mahalo,

Terry Tolman  
RAM Chief Staff Executive
